Dear Sir, Vnd 3273

I am a student
at the Municipal School
of Technology preparing
for the B. Sc Tech degree
of the Victoria University
of Manchester. I am
a Physics graduate of
the Madras University
but have come to England
on my own account.

✓
Being a native of
Madras I venture
to apply to the Mysore
Government for a scho-
larship so that I may
be enabled to go to
Switzerland after
taking my degree here
next year and after one
year's stay in Switzerland
to go to Niagara Falls
to specialise in Hydran-
lic power stations & come

A line in reply³
would greatly oblige
your friend
C. V. Krishnaswami
Chetty

To,
The Revenue Secretary

to Study for Elect^l Eng

My programme was to
sit for the degree exami-
nation in June 1910 &
to return to India in Sep-
tember of the same year
though I wish very much
to get some practical
training in Switzerland
and one years training
at the Niagara Power
Works in Canada, I cannot
do so as my private means
are limited and I cannot
afford to satisfy my
desire

at the ~~Niagara~~^{St. Lawrence} Power
works in Canada & that
~~he is not of~~ as he
is not rich enough to
to afford for the course
prays that the Govt may
kindly grant him a
Scholarship enabling
him to go to Switzerland
after taking his degree
in Manchester next year
and after one year's
stay in Switzerland
to go to Niagara
